

Webphlox Media

Delivers the highest quality business information

Webphlox Media - is a leading provider of Targeted contact lists, with experience in Direct and Interactive Marketing Services for our valued clients. Our database consists of over 150 Million prospects from 200+ highly targeted business contact lists with the ability to provide detailed segmentation to isolate your target audience.

EACH RECORD INCLUDES: Company Name, Address, Address1, City, State, Zip Code, Country, Phone Number, Fax Number, Employees, Revenue, SIC Code, Industry, Web Address, Contact Name, First Name, Middle Name, Last Name, Job Title, and Email Address.

GUARANTEE:

- 85%+ on email deliverability and 95%+ guarantee on other data fields.
- Replacements: If you encounter faulty contacts more than the above parameters would be replaced with fresh contacts or we would provide you a credit balance.

Update: We constantly update and verify our information to ensure that your business mailing lists always contain the most current, most deliverable addresses and responsive phone numbers available. We update our list every 45-60 days to make sure it delivers to the recipients. Our accuracy standards would have lower bounce rates, and better deliverability to protect email sender reputation

Ownership: List will have 100% verified emails and are provided for your complete ownership i.e. for your unlimited Multi-Channel marketing usage.

ADDITIONAL BENEFITS: We will provide 2 updates in the next 12 months. Along with each update, you will receive 6% to 8% new contacts from the same segment. Eventually, you will have 20%+ new contacts end of 12 months and existing names will also been cleansed and fresh so you don't have to spend another budget next year.

Our list is always telephone-verified via a unique verification process to ensure the data is consistently monitored.
